

**Kentucky Department for Medicaid Services**  
**Drug Management Review Advisory Board (DMRAB)**  
**Recommendations for Consideration**

The following chart provides a summary of the recommendations that were made by the Drug Management Review Advisory Board (DMRAB) at the August 11, 2011 meeting. Review of the recommendations by the Department for Medicaid Services and final decisions are pending.

**ProDUR Severity Level I Drug-to-Drug (DD) Interactions**

| Interaction Description                               | DMRAB Recommendation            | DMRAB Vote                      |
|---|---------------------------------|---------------------------------|
| SSRIs/MAOIs Furazolidone                              | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Nelfinavir Ritonavir/Amiodarone                       | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Selected Protease Inhibitors/Flecainide               | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Protease Inhibitors/Midazolam; Triazolam              | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Selected Protease Inhibitors/Propafenone              | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Selected Quinolones/Class IA and III Antiarrhythmics  | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Ergotamine Derivatives/Selected Macrolide Antibiotics | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Protease Inhibitors/Pimozide                          | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Protease Inhibitors/Ergot Derivatives                 | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Carbamazepine/Monoamine Oxidase Inhibitors            | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Ergotamine Derivatives/Delavirdine; Efavirenz         | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Protease Inhibitors/Rifampin; Rifapentine             | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Selected 5HT-1D Agonists/MAO Inhibitors               | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |

| Interaction Description                                   | DMRAB Recommendation            | DMRAB Vote                      |
|---|---------------------------------|---------------------------------|
| Nelfinavir; Ritonavir/Quinidine                           | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Protease Inhibitors/Non-Sedating Antihistamines           | Message only                    | <b>Passed:</b> 8 For, 0 Against |
| Quinidine/Itraconazole; Voriconazole                      | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Clarithromycin; Erythromycin/Quinupristin-Dalfopristin    | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Dofetilide/Verapamil                                      | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Dofetilide/Cimetidine                                     | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Dofetilide/Trimethoprim                                   | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Dofetilide/Itraconazole; Ketoconazole                     | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Dofetilide/Prochlorperazine                               | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Dofetilide/Megestrol                                      | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Dofetilide/Class I and III Antiarrhythmics                | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Selected HMG-CoA Reductase Inhibitors/Nefazodone          | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Zidovudine/Ribavirin                                      | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Delavirdine/Rifampin; Rifabutin                           | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Ketoconazole/Nevirapine                                   | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Selected HMG CoA Reductase Inhibitors/Protease Inhibitors | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Ziprasidone/Selected Antiarrhythmics                      | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Ziprasidone/Pimozide; Thioridazine                        | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Ziprasidone/Moxifloxacin; Sparfloxacin                    | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Ziprasidone/Selected Qt Prolongating Agents               | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Zidovudine/Doxorubicin                                    | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |

| Interaction Description                             | DMRAB Recommendation            | DMRAB Vote                      |
|---|---------------------------------|---------------------------------|
| Dofetilide/Hydrochlorothiazide                      | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Eletriptan/Selected Macrolide Antibiotics           | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Eletriptan/Itraconazole; Ketoconazole               | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Eletriptan/Selected Protease Inhibitors             | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Ergot Alkaloid Derivatives/Telithromycin            | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Selected HMG-CoA Reductase Inhibitors/Telithromycin | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Selected Anticonvulsants/Telithromycin              | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Delavirdine/Carbamazepine; Phenobarbital; Phenytoin | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Ergot Alkaloids/Voriconazole                        | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Flecainide/Lumefantrine                             | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Ergotamine Derivatives/Itraconazole; Ketoconazole   | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Eletriptan/Nefazodone                               | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Itraconazole; Ketoconazole/Isoniazid                | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Vardenafil/Indinavir; Ritonavir                     | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Vardenafil/Itraconazole; Ketoconazole               | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Vardenafil/Alpha-Blockers                           | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Vardenafil/Class IA and III Antiarrhythmics         | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Atazanavir/Proton Pump Inhibitors                   | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Atazanavir/Indinavir                                | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Delavirdine/Amprenavir; Fosamprenavir               | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Tadalafil/Alpha-Blockers                            | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |

| Interaction Description                        | DMRAB Recommendation            | DMRAB Vote                      |
|--|---------------------------------|---------------------------------|
| Class IA and III Antiarrhythmics/Telithromycin | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Efavirenz/Voriconazole                         | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Nelfinavir; Ritonavir/Eplerenone               | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Clarithromycin; Troleandomycin/Eplerenone      | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Class IA and III Antiarrhythmics/Ibutilide     | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Atazanavir/Irinotecan                          | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Amiodarone/Agalsidase                          | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Cyclosporine/Rosuvastatin                      | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Zalcitabine/Lamivudine                         | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| MAOIs/Atomoxetine                              | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Itraconazole; Ketoconazole/Eplerenone          | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Protease Inhibitors/Artemether; Lumefantrine   | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Cimetidine/Artemether; Lumefantrine            | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Carbamazepine/Voriconazole                     | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Delavirdine/Lovastatin; Simvastatin            | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Delavirdine/Pimozide                           | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Delavirdine/Alprazolam; Midazolam; Triazolam   | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Cyclosporine/Tacrolimus                        | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Telithromycin/Rifampin                         | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Cyclosporine/Bosentan                          | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |
| Zidovudine/Stavudine                           | Retain current PA requirements. | <b>Passed:</b> 8 For, 0 Against |

| Interaction Description                              | DMRAB Recommendation               | DMRAB Vote                      |
|--|------------------------------------|---------------------------------|
| Carbamazepine/Nefazodone                             | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| Ketoconazole; Voriconazole/Sirolimus                 | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| Zileuton/Pimozide                                    | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| MAOIs /Entacapone; Tolcapone                         | Remove PA; pharmacy level override | <b>Passed:</b> 8 For, 0 Against |
| Efavirenz/Midazolam; Triazolam                       | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| Delavirdine; Efavirenz/Astemizole; Terfenadine       | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| Nitrates/CGMP Specific PDE Type-5 Inhibitors         | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| Class I and III Antiarrhythmics/Pimozide             | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| Ergot Derivatives/Saquinavir Base                    | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| Class I and III Antiarrhythmics/Halofantrine         | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| MAOIs/Sibutramine                                    | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| MAOIs /Bupropion                                     | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| MAOIs /Apraclonidine; Brimonidine                    | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| Ergotamines; Methysergide/5ht-1d Agonists            | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| Select HMG-CoA Reductase Inhibitors/Selected Azoles  | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| Monoamine Oxidase Inhibitors; Furazolidone/Buspirone | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| MAOIs; Furazolidone/Levodopa                         | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| MAOIs; Furazolidone/Meperidine;Dextromethorphan      | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| MAOIs; Furazolidone/Tri;Tetracyclic Compounds        | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |
| MAOIs; Furazolidone/Sympathomimetics                 | Retain current PA requirements.    | <b>Passed:</b> 8 For, 0 Against |

**Potential New/Updated Edits**

| <b>Potential New/Updated Edit</b> | <b>DMRAB Recommendation</b>                                 | <b>DMRAB Vote</b>               |
|-----------------------------------|---|---------------------------------|
| Narcotic Combination Edit         | Tabled until a specific list of diagnoses can be developed. | <b>Passed:</b> 8 For, 0 Against |
