

Date: January 4, 2007

Dear Kentucky Medicaid Pharmacy Provider:

SUBJ: Zocor/simvastatin Changes

On January 10, 2007, branded Zocor will be a non-preferred (Tier 3) medication. The generic alternative, simvastatin, will be the preferred (Tier 1) agent.

Also, on January 10, 2007, new MAC prices will be in effect for branded Zocor. All claims submitted with a DAW code of 0 (zero) will be paid at the new MAC price.

Sincerely,

Carrie Lovell, Pharm. D.
Pharmacy Account Manager
